Dear Residents of Ecorse,

I understand your frustration regarding the garbage not being picked up in a timely manner. The City of Ecorse Mayor, Council, City Administrator, and Department of Public Service are working hard to make sure that Priority Waste is held accountable to provide residents of the City of Ecorse with adequate services.

Priority Waste bought out the GFL contracts for several cities and this has not been a smooth transition. Therefore, Priority Waste was given a 10-day notice to cure the deficiencies as the solid waste collection service provider of the City of Ecorse.

If you continue to have any issues with your trash being picked up in a timely manner you may contact Priority Waste directly at (586)228-1200.

Thank you,

Mayor Lamar C. Tidwell
