

## City of Ecorse Utility Review Fee Schedule

City of Ecorse Utility Plan Review, Right-Of-Way and Final Restoration Inspection Fees For Gas, Electric, Cable and other Utilities						
No. of Parcels	1	2 to 4	5 to 9	10 to 24	25 to 49	50 or more
Fee per Parcel	\$ 600.00	\$ 450.00	\$ 375.00	\$ 340.00	\$ 330.00	\$ 320.00

Additional fees may be required for multiple reviews or parcels larger than the typical city lot size.

1. Utility Company submits a digital copy of the proposed construction plan to Terri Beaumont (Assessor@ecorsemi.gov) along with the above fee.
2. Terri Beaumont (Assessor@ecorsemi.gov) forwards plan to Engineer and DPW Director.
3. Engineer reviews plans and provides review comments to Utility Company.
4. Once approved engineering notifies the Utility Company, Terri Beaumont (Assessor@ecorsemi.gov) and DPW Director.
5. Contractor coordinates daily work with DPW Director.
6. Engineer provides as-needed spot inspection during construction.
7. Engineer completes a site visit for final restoration to close out project.
