FREE WEATHERIZATION

Weatherization involves the installation of measures designed to make your home more energy-efficient. The program is free to income-eligible homeowners and renters.

- Weatherize your home to be warmer in the winter.
- Weatherize your home to be cooler in the summer.
- Weatherize your home to lower your gas and electric bills.

An energy audit will determine which measures your home is eligible for and may include:

- Wall Insulation
- Attic Insulation and/or Ventilation
- Floor/Foundation Insulation
- Air Sealing Measures for Doors, Windows, and Accesses
- Furnace Tune-Up or Replacement
- Refrigerator Replacement
- Other Energy-Saving Measures such as Lightbulbs, Dryer Vents, Etc.

Residents of the following cities should call (734) 362-7027 for more information:

Allen Park • Brownstown • Ecorse • Flat Rock • Gibraltar • Grosse Ile • Lincoln Park • Melvindale • River Rouge • Riverview • Rockwood • Southgate • Trenton • Woodhaven • Wyandotte

All other Wayne County residents should contact Wayne Metro at (313) 388-9799.

See reverse side for income guidelines.

(This program is funded by the Department of Energy and the State of Michigan)
