Dear Citizens of Ecorse,

The governor of Michigan Gretchen Whitmer, has issued executive order 2020-21 (Stay-at-Home Order), directing all Michigan business and operations to temporarily suspend in-person operations that are not necessary to sustain or protect life. The order also directs Michiganders to stay in their homes unless they're a part of the critical infrastructure workforce, engaged in an outer door activity, or performing tasks necessary to the health and safety of themselves or their family like going to the hospital or grocery store.

This order will become effective at 12:01 am on March 24, 2020 for at least the next three weeks. Individuals' may only leave their home or place of residence under very limited circumstances, and they must adhere to the social distance measures recommended by the Centers for Disease Control and Prevention when they do so, including remaining at least six feet from people from outside the individuals, s household to the extent feasible under the circumstances.

The city of Ecorse and its residents and businesses must adhere to all of the governor's executive orders. We are in this together but we must work together to overcome these difficult times. The city of Ecorse Mayor and Council will continue to work hard and provide you with daily information on COVID-19 by way of our website (ecorsemi.gov), Facebook page and on See Click Fix which you can download on your smartphone.

Information around this outbreak is changing rapidly. The latest information is available at Michigan.gov/Coronavirus and CDC.gov/Coronavirus.

Thank you,

Mayor Lamar C Tidwell
